Product Specification Summary

2 mL Screw Cap Tubes

Catalog Number	BB-4123-01-WT
Product Name	Cap Inserts for 2mL tube caps White; 100 unit
Size	100 each

Description	Cap Inserts for 2mL tube caps; 100 unit White
Component/Note	100 unit White

2mL Screw Cap Conical & 2mL Screw Cap Skirted Self Standing Tubes

The 2ml screw cap microcentrifuge tubes are available as conical bottom without a skirt for easy viewing of contents at the bottom after centrifugation and with a skirt as a self -standing tube. Both are available in natural for regular use and amber color for light sensitive fluorescent contents. The screw caps are available with 0-ring and another version with self-sealing cap; both with convenient attached tether to prevent capping mishaps. The caps are available in a selection of color for easy color coding.
Cap inserts for O-ring caps are available in 8 colors for cross color labeling and easy identification. These are manufactured using virgin polypropylene and packaged under dust free conditions. All are RNase, DNase and pyrogen free.
