Product Specification Summary

siRNA:RNA Interference

Catalog Number	27-6437-20
Product Name	Custom siRNA duplex Reverse Phase Purified; 2 nmols
Size	2 nmols
Description	Custom siRNA duplex Reverse Phase Purified, 2 nmols

Custom siRNA are synthesized at different scales of synthesis, the yield varies between these synthesis scales, individual synthesis, modifications and purification methods. Your custom siRNA duplex is accompanied by a Certificate of Analysis stating the exact yield in nmols and µg. The exact specifications are also printed on the tube label. Please refer to the Certificate of Analysis or the tube label for the exact specifications. Place your custom siRNA order online at the following link http://www.genelink.com/newsite/allonlineorders.asp or you can email your sequences at oligos@genelink.com
